

Top 70 Korean Sentences You Need to Know (for Beginners)

Why learn Korean sentences?

Because you get to learn new words, phrases and grammar... at the same time. Learning words one at a time is painful. Learning grammar rules one at a time is painful. But Korean sentences give you everything at the same time.

So, if you're a beginner, this is a good lesson for you.

By the way, if you want to learn and speak Korean with an actual program, I suggest [KoreanClass101](http://KoreanClass101.com). You can learn even faster with audio/video lessons made by real teachers. So, if you're interested in learning Korean conversations, you'll love their conversation lessons.
