

Zdravey!

That's "hello" in Bulgarian.

And in this PDF Lesson, you'll learn **79 words for numbers, days and months.**

So, you'll learn...

- how to count 1-10
- the days of the week
- the months of the year
- and more time-related words

You also get the romanization for each phrase. This will help you understand the approximate pronunciation of each one. For example, "Zdravey" is the romanized version of "Здравей." Read it. Say it out loud. Repeat a few times. And now you're speaking and learning Bulgarian.
